Abode™

WHERE ADAPTABILITY LIVES

We all have our own unique way of getting things done, and Abode delivers the versatility and functionality needed for each user to call their workstation home. The variety of configurations and customizable storage solutions puts users in control of their own environment, surrounding them with the tools they need to get the job done. Abode is more than capable of standing on its own, but it also creates a consistent aesthetic when integrated with other HON workstations. Give everybody more of what they want and make them feel more at home with Abode.
